Favourite Walks

Wild Garlic, Footpath No.8, Highclere Park

Do you have a favourite local walk?

Highclere Society are putting together a series of local walks which will be available on the website for all to download and available in hard copy.

We are hoping to reflect in the leaflets the interests of our members and draw on your knowledge of our area. So our vision of the final product is not a standard footpath leaflet but one which tells something of the history and what you might see along the route whether it be, say, buildings of interest, buzzards, deer or wild daffodils in spring.

How can you help?

If you have a favourite local walk, would you be willing to share it? If so, we would love to hear about it.

Next step?

The following page is a guide as to the information we are looking for.

If you would like to add a sketch of the route or a picture or two that would be great.

We will then collate all the responses and get in touch with you to see whether you would like to help a bit more.

Our target date for replies is **2 May 2008**.
